

NO CHILD LEFT BEHIND

No Child Left Behind (NCLB) Choice Options

Parents of children attending a Title I school that does not meet all criteria for Adequate Yearly Progress (AYP) for two consecutive years have expanded options for School Choice and eligibility for Supplemental Educational Services (SES).

The following district schools are offering NCLB Choice Options for the 2011 – 2012 school year:

Lake Panasoffkee Elementary School

Webster Elementary School

Wildwood Elementary School

Option 1 – Remain at the school where he/she is zoned. Parents selecting this Option do not need to take any action.

Option 2 – Remain at the school where student is zoned and have the opportunity to receive free tutoring from a State approved Supplemental Educational Services (SES) Provider. **Students must be eligible for Free or Reduced Price meals in order to be eligible for SES.** If demand for SES exceeds funds available, applications will be ranked and prioritized by needs of students according to academic performance and socio-economic status.

Option 3 – Transfer to a higher performing public school within the District with limited transportation provided. If demand for Choice with Transportation exceeds funds available, applications will be ranked and prioritized by needs of students according to academic performance and socio-economic status.

The receiver school for Choice with Transportation for the 2011 -2012 school year is:

Bushnell Elementary

For additional information, you may call the district office (352-793-2315, ex 204) or the principal at your child's school.
