

Join the LPES PTO Today!

Last year was a rough year for PTO to be able to do anything at school. Not sure what this year will look like either, but we'd sure love your help in making it the best year EVER for our school. We need your help and your ideas.

What is the PTO?

Lake Panasoffkee Elementary School's PTO is a Parent and Teacher volunteer organization. It makes many of the special events our students enjoy possible, and provides supplies and support for the teachers. But this is only possible through the efforts and donations of our volunteers and families. We really want your support to continue to provide for our school. Here's a few of our contributions in the past:

- Buses/Costs for Field Trips • School Software Licences • Chili Bingo
- Jingle Bell Shop • Student of the Month Awards
- Ink for Teacher's Printers • Teacher Appreciation Events

If you are interested in volunteering for the position, please prepare a brief introduction about yourself and why you'd be a good fit.
