PREPARING FOR YOUR FORMAL YEARBOOK PHOTO

We will photograph you in multiple poses for your school's yearbook. We will make every effort to have the image you select submitted for publication.

Don't worry about bringing drapes or tuxedos; we provide them.

GUYS MUST BRING A SOLID WHITE T-SHIRT, AND GIRLS MUST BRING A CAMISOLE OR TANK TOP TO WEAR UNDERNEATH THE FORMAL ATTIRE. WE CAN NOT PROVIDE THE UNDERGARMENTS DUE TO SANITATION MEASURES.

WHAT IS INCLUDED IN MY SESSION FEE?

A session fee provides you the opportunity to have a specific number of proofs made. No prints or products are included in any standard session fee. You will have the opportunity to purchase prints after you have seen your proofs. The session fee also gives you the ability to choose your yearbook photo, if the school deadline allows.

WHAT SESSION SHOULD I CHOOSE?

It's your senior year, so choose the session that fits you best. If you have multiple outfits and ideas, check out the Ultimate. View all the options on the opposite side of this letter.

HOW DO I PREPARE FOR MY SESSION?

Remember, a tan is nice, but too much sun can cause redness and peeling. If you wear glasses, we suggest that you are photographed with and without your glasses. If you have frame-only glasses, those work the best. Some of the images will not work well with the lenses in your glasses.

Avoid any drastic changes before coming to get photographed. If you plan on getting your hair cut, have it cut a few days before to avoid a fresh-cut look. Don't forget to shave.

WHAT SHOULD I BRING TO MY SESSION?

It is all about you. Bring anything that shows off your personality and hobbies. Props can include athletic uniforms and equipment and musical instruments. One outfit for each background style is always a good starting point. Check out our online senior gallery for ideas of what to wear for your chosen styles. It is a good idea to come dressed in one of your casual outfits, ready for pictures.

SWI Photography provides formal attire. Guys must bring a solid white t-shirt, and girls must bring a camisole or tank top to wear underneath the formal attire. We can not provide the undergarments due to sanitation measures.

WHAT ABOUT SOCIAL DISTANCING?

SWI Photography will follow all local and state guidelines designed to slow the spread of COVID-19. Please read the included letter about more precautions we are taking.

CLASS OF 2022 - THIS IS YOUR YEAR!

While we have always followed strict sanitation guidelines at SWI Photography, we implemented several additional safety measures last year, designed to combat the spread of COVID-19 and make your students and our staff feel completely confident in our ability to foster a safe environment.

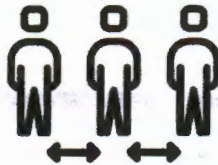

PPE

Photographers will be required to wear a mask at all times

Sanitization

Surfaces and equipment will be disinfected throughout the day

Social Distancing

Photographers will follow new posing and social distancing requirements

Training

Photographers are required to complete enhanced safety and cleaning training

These guidelines also include:

- Photograph seniors by confirmed appointment only.
- Session appointments must be booked online and paid for in advance for no-touch payments.
- For safety reasons, family members and guests will not be allowed in the photography and waiting areas.
- Students must supply their own white t-shirt or tank top to be worn under the provided formal attire.

Please note that protocols may change based on new or revised recommendations from local and national government agencies.

We are grateful for the opportunity to work with each of our seniors and families to document this most memorable time in their life.
