

8th Grade Activities Contract

During the second semester, eighth graders have the opportunity to attend various activities. Two of these activities are a class trip to Busch Gardens, Tampa and the 8th Grade Dance. These events are planned for those students who have shown that they can be responsible in school and at school-sponsored activities and show adequate academic progress each nine weeks.

There are academic and behavioral conditions to this contract.

The academic conditions are:

1. If you are failing **any** class during the 3rd marking period or you are failing any class for the year, you will be eliminated from the 8th Grade trip. Eligibility will be **based on grades during the 3rd marking term progress report** that will be pulled on February 18th, 2020.
2. If you are failing **any** class during the 4th marking period or you are failing any class for the year, you will be eliminated from the 8th Grade Dance. Eligibility will be **based on grades for the 4th marking term progress report**, which will go home on April 29th, 2020.
3. All debts to the school (ie: library fines, lost books, damaged/lost laptops, athletic/PE fines, and cafeteria debits, etc.) must be taken care of to be eligible to attend both activities AND the Promotion Ceremony to be held on May 28th, 2020. These debts must be satisfied **prior to the day of said activity**.
4. **Attendance – Any student that has been on an attendance contract (7 unexcused absences or more for the year) will not be able to attend the Busch Gardens field trip or the 8th Grade Dance.**

The behavioral conditions are:

1. If you are suspended from school for **any reason** during the 2019-2020 school year, you are eliminated from the 8th Grade trip.
2. If you are suspended **5 or more days** during the 2019-2020 school year, you are eliminated from the 8th Grade Dance.
3. If you are involved in disciplinary action, which results in an alternative education (AE) assignment (including AE resulting from tardiness, dress code, lunch detention), you will be placed on probation. Involvement in a **second** incident, which results in a **second assignment to AE**, will eliminate you from the 8th Grade trip. Involvement in a **third** incident, which results in a **third assignment to AE**, will eliminate you from the 8th Grade Dance.

Though only the class trip and the dance have been mentioned above, students will be held to these standards for any special events that may arise. **Failure to sign and return this contract 1 week from _____ will eliminate you from all activities.**
