Wildwood Middle High  
School

2021-2022  
Parent  
Involvement  
Plan

## Parent Involvement Mission Statement

At Wildwood Middle High School we strive to provide a positive educational environment that promotes maximum learning opportunities through academic training and life experiences cultivated by the efforts of students, parents, faculty, and business partners.

### What does research say about parental involvement?

*“Programs and interventions that engage families in supporting their children’s learning at home are linked to improved student achievement.”*

Epstein, Simon & Salinas (1997), Jordan, Snow & Porche (2000), Starkey & Klein (2000)

*“The more families support their children’s learning and educational progress, both in quantity and over time, the more their children tend to do well in school and continue their education.”*

Miedel & Reynolds (1999), Sanders & Herting (2000), Marcon (1999)

*“Families of all cultural backgrounds, education, and income levels can, and often do, have a positive influence on their children’s learning.”*

Ho Sui-Chu & Willms (1996), Shaver & Walls (1998), Clark (1993)

### How can you get involved?

Research has proven that how successful students are in school depends a great deal on how much their parents get involved in their education. You can get more involved in your child’s education by:

- ❖ Becoming a volunteer at the school
- ❖ Supporting after school programs
- ❖ Attending parent-teacher conferences
- ❖ Communicating with your child’s teacher often, through writing notes, phone conferences and so forth
- ❖ Attending school programs and events such as AVID nights, Cambridge nights, parent nights, etc
- ❖ Ensure your child has support completing homework and finishing assignments.

For more information about how you can get involved and be an active participant in your child’s education, please contact the Title I coordinator, Ms. Crosby, at (352)748-1314 ext 81213 or Mrs. Patrick, at (352) 793-5719 ext. 54211
