## On-Going Teacher Professional Development:

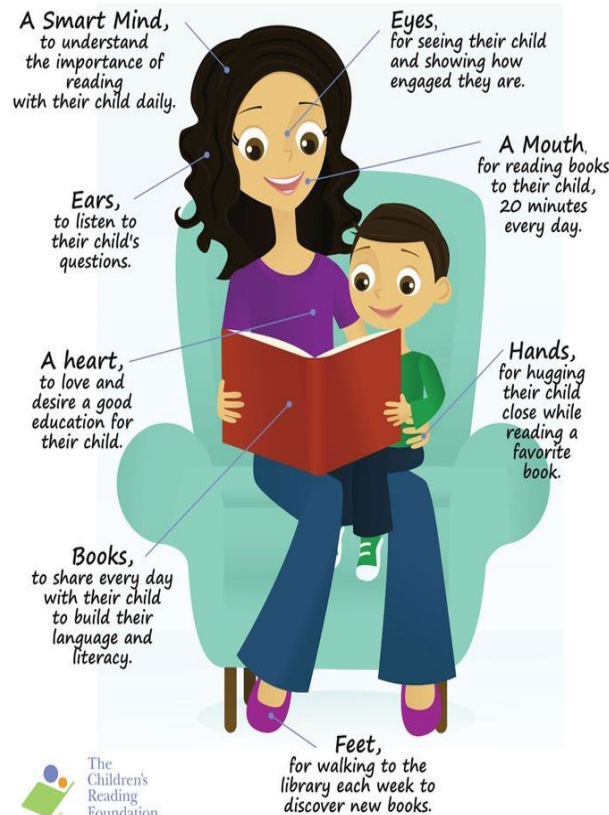

Our school provides professional development for teachers about many topics, including parent involvement. We value your participation and strive to equip teachers with tools and strategies to effectively collaborate with your family.

*You have the right to request information regarding the qualifications of your child's teachers and paraprofessionals.*

## Parent Involvement Defined

The term parental involvement means the participation of parents in regular two-way, and meaningful communication involving student academic learning and other school activities.

## The Parts of a Parent Reader

## Students with involved parents are more likely to:

- **earn higher grades and test scores, and enroll in higher-level programs.**
- **be promoted, pass their classes, and earn credits.**
- **attend school regularly.**
- **have better social skills, show improved behavior, and adapt well to school.**
- **graduate and go on to postsecondary education.**

(Henderson & Mapp, 2002).
