Dear Parent/Guardian:

Due to a new emergency rule put into place by the Florida Surgeon General, quarantine guidelines for schools have changed. Moving forward, if someone tests positive for Covid in your child’s classroom, you will receive an email or Remind notification stating the possible exposure, and that your child may continue attending school as long as they are asymptomatic. You will have the option of a voluntary quarantine for up to 7 days from the date of exposure, but exercising this option will require you to call the school and speak to:

- Principal Joel Camp
- Assistant Principal Amanda Woythaler
- Assistant Principal Brie Ishee
- Attendance clerk Melissa Thomas

Contact must be made with the school prior to, or on the same day of, exercising the voluntary quarantine option. There will be no more required quarantines for asymptomatic students, only for those who are experiencing symptoms commonly associated with Covid. If you choose to voluntarily quarantine your student, they must login to their computer and complete work while on quarantine. We ask that you continue to be diligent in the monitoring of your child for symptoms, and encourage you to keep them at home if they are exhibiting symptoms to ensure the least disruptive educational experience for our school. Also, please help with our communication by ensuring that your phone number and email address are up to date in skyward. Thank you in advance for your assistance in this matter, and please let me know if there is any further information I can be of assistance with.

Sincerely,

Joel Camp
Principal
